STOCK CLEARANCE SALE.

A settlement of the estate of the late senior partner of this firm is to be made in January. A necessity of the event is the reduction of stock to the minimum. It is to our interest to convert goods into cash at the sacrifice of profit. It must be a clearing sale in the most comprehensive significance of the term—a sale in which neither cost, value nor loss get a moment's consideration. To reduce our immense stock is the only aim, the highest hope, the fixed determination. No man or woman who knows the value of a dollar, who understands this opportunity to save, will let it pass without taking advantage of it to the full as far as prudence and means permit. While many departments are represented here, it would take double the space this ad. occupies to tell of the dozens of other equally attractive bargains. Call on us, it's the only way to master all the facts.

SIX BIG VALUES!

No. 1—Melange Cheviot, 45 inches wide, 36c, original price \$1. In all the new fall shades. If you can judge values we are sure wisdom will guide you rightly when you see this unusual bargain.

No. 2—Black Taffeta 27 inches wide, 75c, original price \$1. Every yard guaranteed to wear. You may be surprised at the price, but you'll be more surprised at the quality.

No. 3—Onetia Union Suits, 48c instead of 75c. Soft and fine, well made and finished. Closely knit to withstand many washings. You know the garment too well to need further description.

Everything mentioned above on sale now. Of course early comers have benefit of choice. No disappointment to wait until you, complete satisfaction stamped on every offering.

None bigger, none better, none worthier ever offered the people of Maysville.

No. 4—Fancy Suitings, 42 and 45 inches wide, 20c, original price 75c. Dark plaids and mixtures, strictly all wool. Effective for children's dresses, women's waists, wrappers and nannies.

No. 5—Women's Fleece-lined Stockings, 25c, original price 50c. Fast black, silk fleece, ribbed or plain top, double sole and heel.

No. 6—Men's Two-piece Underwear, 48c, original price 75c. Best Mako cotton, finely woven, softly finished. A well cut and finished garment.

A DOLLAR is worth just what it will bring. If you had a barrel of them in the Desert of Sahara they wouldn't buy a cup of water. Not so we are certain there is no place in Maysville where a dollar will bring you as much as it will here during this sale. It might buy a larger package elsewhere but we are not talking of quantities. We refer to qualities and values. The following list tells what a dollar will do in some of our departments. It's not a statement of facts.

A dollar in the Linen Department: A dollar in the Curtain Department will buy a pair of Nottingham Lace Curtains of ten yds. best Silk, or two yds. good heavy Tapestry, or two yds. of Scrims or one Hope Portiere, or 5 yds. of Curtain Swiss.

A dollar in the Colored Dress Goods Department will buy an exquisite French Broadcloth worth \$1.50, or a Panné cloth as soft as velvet worth \$1.50, or a Scotch Mixed (Covert for walking suits, worth \$1.50).

A dollar in the Black Goods Department will buy a French Broadcloth, a Royal Sateen, a Panné cloth, a Camel's Hair, a Milan Cloth, an English Poplin, all 15 yds. wide and worth \$1.50 a yard.

Which is natural; but then

I should like to be Pierpont Morgan.

WHO KNOWS WHERE?

Dan Rice Says the Greatest Circus Clown is Buried Here.

In a "Life of Dan Rice," just published, is this reference to Maysville: "The greatest circus clown I ever met," says Dan, "was Joe Blackburn of Kentucky. He was in some way related to the eminent Senator from that state, was a man of education, a gentleman and brave as a lion. He was buried in Maysville, some time in 1848. It was for many years a custom among circus men whenever they visited Maysville to take their hands and play a dirge at Joe Blackburn's grave."

Who can tell where Blackburn was buried?

"A newspaper whose columns overflow with the advertisements of boot and shoe makers has more influence in attracting attention and building up a city or town than any other agency that can be employed. Suppose a shoe store in London. Capital and labor will locate where there is advertising. The shoe store is a good one. It is strong to build up a town as newspapers build up a nation, and this power should be appreciated."

The Sidewalk and Gutter Committee made the following report:

MAVSVILLE, KY., Oct. 7, 1901.
To the Honorable Board of Council of the City of Maysville—Gentlemen: The Sidewalk and Gutter Committee investigated the condition of the sidewalks on Court street and report the following: We find the city did not stop the outlet pipe by placing a new gutter. In taking up the flagging on the Winter pavement we find a broken bell on the first pipe next to the gutter; the first and second sections of pipe at least two inches apart, which explains the manner in which the water could flow under the Winter pavement. We also found the curbstone which the pipe went through had settled at least 1/2 inch, an fact which could explain the depression of the outlet pipe below the gutter.

In view of the above we do not believe the city responsible for the condition of said pipe.

H. S. SAMUEL, Chairman;
A. C. SPHAR,
JOSEPH T. SHOOT,
THOMAS A. KEITH,

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is scurvy. Hall's Cathartic Cure is the only positive cure now known to the medical fraternity. Cathar being a constitutional disease, requires a constitutional treatment. Hall's Cathartic Cure is taken internally, acting directly upon the blood and mucous vessels of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:
